

SDBA Monthly Meeting
16 August, 2023 Demo
Maria Rebelo

List of Materials

Kraft paper/card stock/watercolor paper - 1 or 2 pieces measuring 6"x 6"

Graph paper

2 colors of thread (Sashiko thread, DMC, cotton pearl, or bookbinding thread); Around 2 yards of each color for one sample and 2 yards for the other.

Straight needle

Awl

Surface to punch holes (this is not a punch cradle; a piece of foam, a piece of card board box or anything that will protect your table while you are making the holes, will do)

Pencil

Scissors

Masking tape or glue

NOTE: The materials on this list are just some ideas of things so you can practice during the demo, if you wish. I will explain during the demo how to match paper with thread thickness.
