

# Paper Bracelets!

**#1** Used a paper cutter to cut pieces 1 ½ x 2 Fold in half so you have pieces 1 ½ x 1  
+/- 540 pieces mixed colors did 70 in color & 510 w/ dictionary pages Try other sizes too!!

**#2** Used a paper cutter to cut 1 inch squares. Folded in half diagonally to get the triangles  
+/- 90 black 420 white  
Proportions of color and white is really your choice!

**#3** Used a 1 inch round paper punch. Circles folded in half

**#4** Used a 1 ½ inch circle punch. Circles folded in half.  
Black - 85 / white - 375 Blue - 80/white 345  
Black- 140/white- 180

*#5 Small circles – used a ¾ inch circle punch. Used a small hole hand punch for center hole.  
Mix colors as desired!*

*#6 Bigger circle bracelet – used a 1” punch. Used a small hole hand punch for center hole.  
Mix colors as desired!!*

*These are just a few examples that I have tried. Next I will try a smaller circle punch  
...maybe ½ inch!*

*Experiment!! I would love to see what you come up with!!*
